A Note About Dogs

Pets must be leashed at all times within the boundaries of the Town Park. This is a town law that is strictly enforced in order to protect all visitors and their pets and to provide a pleasurable, relaxing, and safe visit to the park.

Pet owners must understand that not all park visitors feel comfortable with pets. Children can be very afraid of them. If pet owners comply with the law, pets may continue to be allowed in the park.

If an unleashed pet should approach a park visitor, please do not attempt to touch the pet. Stand still and keep your hands close to your body. When the owner is within sight, ask the owner to leash the pet. Do not confront the owner other than to remind them of the posted leash law signs within the park. Please call the Schodack Police Department to report a violation.

Welcome to Schodack!

The Schodack Town Park was created during the 1990's through great efforts put forth by the Parklands Committee, volunteers, and with the support of residents, town government, and local businesses.

The Town Park offers various settings from meadows to streamside trails, and is about two miles from Schodack Town Hall.

Park Services

Our facility features a beautiful pavilion to accommodate parties and picnicking. To book the park for a personal event, please contact the Town Clerk's office at 477-7590.

Picnic tables, a large grill, limited electric supply, and bathroom facilities are all on site helping to make your park experience more pleasurable!

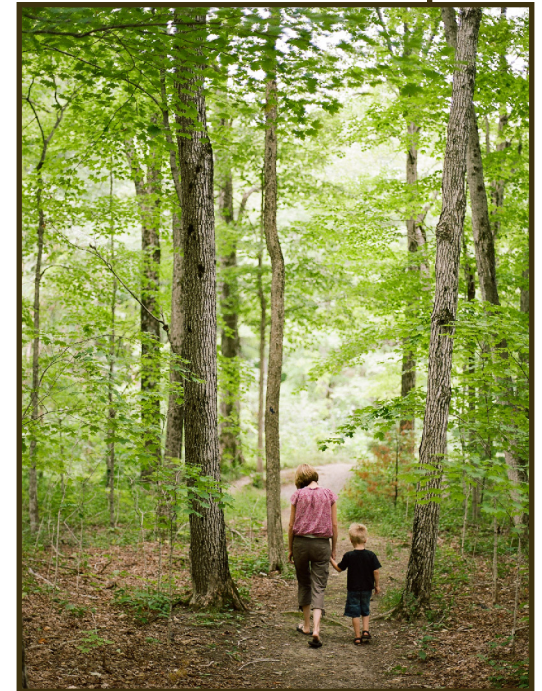

Special Events

During the Summer months, the Town of Schodack sponsors events such as "Music in the Park". Please check www.schodack.org for additional information, dates, and times or call 477-7590 for updates.
